Allround Retro Stereo Headset

An all-round quality stereo headset with a retro design for usage at home or at the office. The excellent sound quality makes the headset usable for many applications like listening to music, chatting, internet telephony (VOIP) and video conferencing. The quality headset ensures crystal clear sound and an optimal fitting comfort, so no problem for intensive use. The headset has a flexible microphone and a cable of 2 meter.

Highlights

> Old school retro design
> Can be used for internet telephony (VOIP), chatting and video conferencing
> Flexible microphone and 2 meter cable
> Includes volume remote control
> Optimal fitting comfort for crystal clear sound
